MAIN FLOOR

The "Island Series" will be a private, twin grouping of twelve gracious one-floor townhomes on the island. Choose a main floor home with large floor to ceiling windows or rise to the second floor in a state-of-the-art elevator to enjoy a spacious deck, over-looking your boat slip and the lake. The stone and stucco exteriors of these homes will be an eye-catching signature for this beautiful development and each will boast its own 2 private boat slips, back garden, and private rear and front balconies. Beautiful garden areas surrounding the gazebo will offer a perfect spot to enjoy a glass of wine and just take it all in!
